

Lab Goal : This lab was designed to teach you how to use print and println to write text to the console window.

Lab Description : Draw a box using ascii characters. Please include the name and date at the top. If you would like to get more creative, you can other things that you would like. Always meet the minimum requirements first and then get fancy. Make it look exactly like this first.

Files Needed ::**AsciiBox2.java****Sample Output :**

name date

```
AAAAAAAAAAAAAAAAAAAAAAAAAAAA
+++++
+++                +++
+++                +++
+++                +++
+++                +++
+++   A+ Comp Sci  +++
+++                +++
+++                +++
+++                +++
+++                +++
AAAAAAAAAAAAAAAAAAAAAAAAAAAA
+++++
